TAP Portugal – part of the largest global alliance

TAP Portugal is the leading Portuguese airline in operation since 1945, and member of Star Alliance, the global airline alliance to offer customers worldwide reach, since March 14th, 2005. Its hub in Lisbon is a key European gateway at the crossroads of Africa, North and South America, where TAP stands out as the international leading carrier in operation to Brazil. The company's network comprises 64 destinations in 30 countries worldwide.

TAP currently operates over 1,850 weekly flights in average on a modern fleet of 55 Airbus aircraft, to which add some 16 aircraft operating in PGA colours, TAP regional carrier, thus adding up to a 71 aircraft fleet in the whole. In the pursuit of its customer focused policy, TAP continuously strives to deliver safe, reliable and upgraded products & services, tailored to meet customers' expectations. Retaining the Portuguese character of the Company's brand and quality service as the basic concept has been the main driver of TAP strategy in most recent years.

Recognized and awarded by the World Travel Awards, in 2009, as the World's Leading Airline to South America. Distinguished by UNESCO and by the International Union of Geological Sciences with the IYPE Planet Earth Award 2010, in the category of Most Innovative Sustainable Product. Also awarded by "Condé Nast Traveller" magazine as the Best Airline Company in the world (in Apr. 2010).

Continuing a strategic direction whose priority is Client expectation satisfaction, TAP continuously seeks to provide its clients with the best and easiest solutions for their trips, continuously adding additional value to the product they offer.

With this objective, the Company also establishes the best of partnerships, on land and in the air; offering, thus, an increased number of destinations served in code-share with similar companies, in addition to a diversified group of advantages and associated fringe benefits.

TAP Portugal are part of the largest Global Alliance - Star Alliance Network was created in 1997 as the truly first global airline alliance, offering to the customer a world-wide dimension and a smooth travel experience throughout all the destinations. The Star Alliance has received the award for the Market Leadership, attributed in 2008 by the "Air Transport World", was elected the best alliance for the airlines by the Magazine "Business Traveller" in 2003, 2006 and 2007 and equally by the Skytrax in 2003, 2005 and 2007.

Overall, the airline carriers which are part of the Star Alliance Network, offer more than offer 18,100 daily flights for 975 destinations in 162 countries.
